

WAY OUT!

Can you find your way through the supermarket aisles to where Snack the dog is waiting at the checkout? Keep away from all the other snacks though!

Wise words

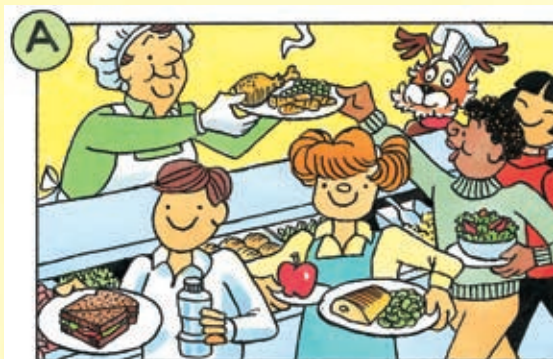

In the apple grid, fill in the missing letters of the names of the four foods you can see on the left. What word do the red apples spell?

Put the four foods together to make a sandwich. Finish off with a juicy apple!

Plate swap

What's different about the 6 items the children are holding in the two pictures?

GO BANANAS

Count the bananas as you colour them in on the banana tree. How many are there?
