

## Spot the Professor!

Professor Foodsmart is running a marathon! Snack is trying to spot him but there are so many runners, it's hard to tell which is the real Professor. Can you spot him?

## Maypole mayhem

Follow Snack's ribbon to the top of the pole to find the colour of the flower. Do the same for the Professor's ribbon!

## Fill the plate

Draw a line from each food to the food group it belongs to. The first one has been done for you.
