

I packed my basket...

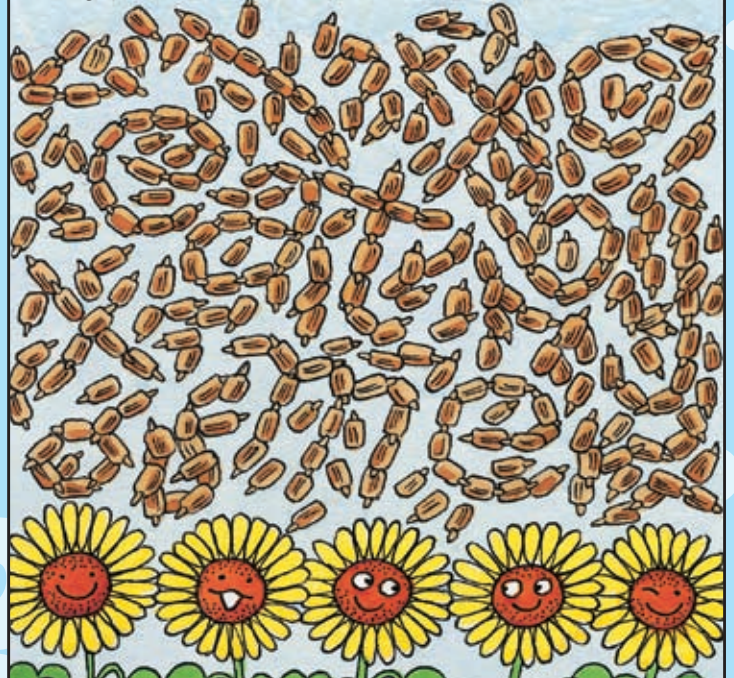

Study everything that Professor Foodsmart is going to put in his picnic basket. Now close your eyes and see if you can remember what he is taking. There are 10 things altogether.

Now ask an adult to find 10 healthy foods or pieces of picnic equipment that you could put in a basket or cover with a cloth. Then, see if you can remember what these things are too!

Secret seeds

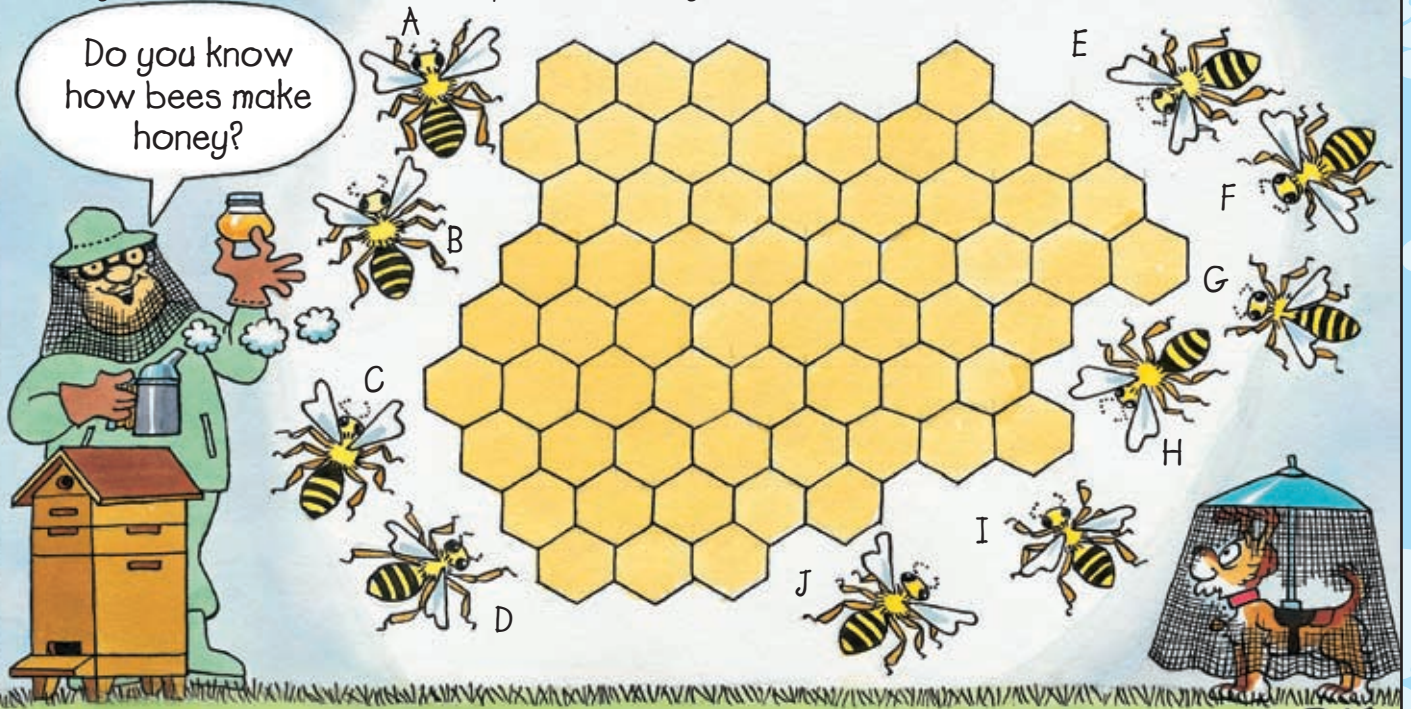

These sunflower seeds have a message for you - can you see what it is?

Honeycomb count

Can you count all the beeswax cells in the honeycomb? How many sides does each cell have? Do you know the name of this shape? Now see if you can work out which two bees are the same.

Do you know how bees make honey?

MAKING HONEY: Did you know that bees collect nectar from flowers to make honey? Honey is yummy but as it is very sweet like sugar, try not to eat too much of it!
