

Jigsaw pieces

Only one more piece is needed to finish the jigsaw - which shape will complete the picture of Professor Foodsmart and Snack collecting their sports day prizes?

Oranges and lemons

Colour in the half slices so you have 3 orange slices for every 1 yellow slice.

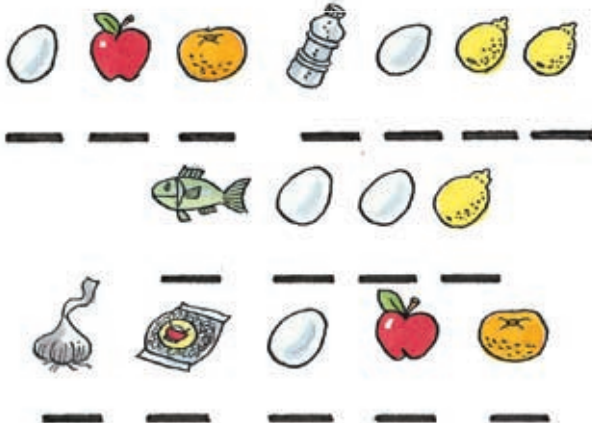

To make your own orange and lemon drink, squeeze the juice of 3 oranges and 1 lemon into a glass, then add some sparkling mineral water or soda water!

Letter code

The first letter of each of these objects is written underneath it. Can you name them all?

The pictures and letters make a code. Use it to reveal the secret sentence below!

Search for Snack

The athletes are having some refreshments after their sports-day fun. Snack is with them but so are all his canine friends! Can you spot the real Snack?
